BIO

Jose was born in Manila, Philippines. He was 10 years old when his family migrated to Alabama, USA. It was in Alabama where he was introduced by his high school art teachers to the likes of Picasso, Matisse and Dali. After 2 years at the University of Alabama where he had earned a freshman Art scholarship, he became interested in Duchamp and Minimalism. He moved to New York City to finish his Bachelor's degree in Studio Art at Hunter College. While working as a Hotel Night Audit Manager and freelance graphic designer, he has had training and job experience as an Emergency Medical Technician, Web Developer, Graphic Designer and Elementary School teaching assistant. His fine arts background and work experiences have helped him explore varied subject matters in different mediums. Informational/ Instructional graphics, Graphic/Branding/Pattern design, Computer Languages and Human Anatomy are some of the subject matter that his work explores.
